Synopsis

Ma Wencai, also known as Lao Ma, inherits and runs his wife's family business "Guifei Yintang" selling traditional slow-cooked soup. Unfortunately, his wife had passed away due to illness, leaving him to raise their two sons by himself. Every weekend, Lao Ma actively anticipates his "get-rich days". He ditches the business to hit the gambling cruise with his buddies. However, these two days turn into "hell" for his eldest son, **Ma Ying**, as the responsibility of running the kitchen and cooking soup falls on his shoulders. Despite Ma Ying's best efforts, his cooking skills are average at best, and no matter how hard he tries, he can never match up to his father's standard. Consequently, Ma Ying has to endure his wife's **Money** nagging.

One day, Lao Ma was on the way to the gambling cruise – as usual – when he bumps into **Wu Da Bao** (Feng Shui saleswoman) and is delayed. When Lao Ma arrives at the pier, he finds that the gambling cruise had departed. While Lao Ma had initially bemoaned his bad luck, little did he know that Da Bao turned out to be his saviour as the cruise subsequently caught fire in the open sea. However, this day also marks a downturn for Da Bao, as it is the day she signs the divorce papers with her husband, returning to singlehood. Da Bao's sister, **Wu Xiao Bao** is a nurse working in a clinic. Xiao Bao is always eager to help, but her overly-helpful character often leads to unintentional mishaps. Ironically, it falls on Da Bao to clean up the mess.

Lao Ma's youngest son, **Ma Zhong** is a renowned investment consultant, making his family proud and living up to his father's expectations. However, he faced rejection and humiliation in his past relationship, leaving him deeply hurt. His University's Junior **Ye Zhen Zhu** admires Ma Zhong and is determined to win his love. However, Ma Zhong is fond of the simple-minded and kind Xiao Bao. Unfortunately, Xiao Bao sees him as a playboy, and with Zhen Zhu intentionally causing misunderstandings between Ma Zhong and her, their relationship worsens.

Lao Ma hires Da Bao as an assistant in his soup stall. As soon as the business-savvy Da Bao steps in, she realises the soup business has gone downhill due to Lao Ma's negligence. She hatches a bold plan to revive the soup stall. However, Money sees Da Bao as a competitor and guards her with suspicion.

Guifei Yintang faces a crisis, but Ma Ying steps up and revamps the soups, creating new, healthy yet delicious soups suitable for the elderly, bringing back loyal customers and attracting a new wave of customers. Money starts looking at Ma Ying with appreciation. Meanwhile, Da Bao contributes significantly to the soup stall and accepts romance again. Ma Zhong and Xiao Bao eventually discover each other's good traits and tie the knot. Navigating new life purposes, business failures, and broken relationships, everyone eventually emerges as "Number 1" in both life and love, forging new paths to success.

故事大纲

马文财，人称老马，经营祖传的“贵妃饮汤”店，早年丧妻，独自把两个儿子栽培成人。马家老大**马赢**是汤店继承人。周末老马喜欢与好友上赌船搏杀，厨艺不精的马赢四面楚歌，老婆 **Money** 望夫成龙，整天对马赢叨叨念念，让他耳根不清静。

赌船在公海出事，好友心脏病发身亡，老马因为在途中与**巫大宝**起冲突逃过一劫。这天却是大宝失意的日子，因为是她跟老公正式签字离婚，变回单身的日子。大宝有个妹妹**巫小宝**，是一名诊所护士。小宝乐于助人，却常常因为过度热心而弄巧反拙，反而要大宝出面收拾残局。

老马的小儿子**马仲**是出名的投资顾问，是家人的骄傲，父亲的期望。初涉职场时原本有个心仪的对象，却遭对方嫌弃和羞辱，深受打击。学妹**叶珍珠**对他穷追不舍，马仲心有所属的却是欢喜冤家小宝。但是小宝认定他是花花公子，加上珍珠从中搞破坏，更让两人的关系变得水火不相容...

老马因为感激大宝的救命之恩，请她到老火汤店当助手，有生意头脑的大宝发现因为老马之前没有看紧，生意已经大不如前，她於是计划大刀阔斧重振汤店。可是一山不能容二虎，Money 以为大宝是来抢滩的人，对她处处设防，加上旁人加油添醋，两人差点演变为汤店里的“宫斗”。

“贵妃饮汤”发生危机，马赢改良汤品，推出健康又美味，适合年长者的炖汤，终于让老顾客回流和吸引了一批新顾客，Money 也对马赢另眼相看。大宝学会煮汤后，也为汤店做出贡献，并再次接受了爱情；马仲和小宝也有情人终成眷属。大家最后都成为“没马跑”（Number 1）的人生大赢家！
