

Digital Media and Information Literacy Framework Self-Assessment Checklist

This checklist helps individuals to assess the extent to which they have met the three broad outcomes set out in the digital media and information literacy framework. The broad outcomes for all Singaporeans have been distilled into the following 5 learning outcomes (LOs) outlined in the framework:

<u>For Individuals</u>	<u>For Programme Owners</u>	
Appreciation of Technology	LO1	Appreciate the benefits, risks and possibilities that technology can bring
	LO2	Understand how online platforms and digital technologies work
Basic Understanding of How to Use Information Responsibly	LO3	Understand how to use information responsibly
Know-how for Safe and Responsible Use of Technology	LO4	Understand how to protect oneself on the Internet
	LO5	Understand how to use digital technologies safely and responsibly

Read each statement and check the box (Agree, Disagree) accordingly.
